

Listserv Report  
June 23, 2025 Board Meeting  
Submitted by Miranda Shake

HSLI Listserv currently has 84 members.

HSLI Board Listserv currently has 14 members.

We moved from the University of Iowa hosting our listserv, to a self-hosted site in the fall (around October-November 2024). Stacey Knight-Davis set the new listservs up with DreamHost (our website provider). She migrated the lists that Linda Feinberg so carefully maintained. I then did some spot checking and removing, adding email addresses over the coming months. We worked through a few minor issues mainly with addresses that were incorrect. I have not heard of any major issues with the new lists.

I've performed ongoing additions (new members) and removal as Jonna sends those to me.

In preparation of this report we realized we were not archiving posts, so therefore I could not give you statistics on how many posts we've had. That has now been turned on so at the next meeting I should be able to report those numbers.

What do you want to see from a listserv report?
